A14 and EI are correct. Is there any chance we already have the contact info for parties? I know they have all been in proceedings before the Commission.

Good Morning, Mark,

I just wanted to confirm with you that the ProgMod for this docket is A14 and the suffix is EI. Also, when you get a chance I will need the email, phone number and fax for the parties you have listed, so I can enter them into the docket.

Please let me know if you have any questions.

Thank you!
