

Review of Electric Utility Hurricane Preparedness and Restoration Actions

Docket No : 20170215-EU

Name : Roy Simmons

Electric Utility Provider : EM874 - Orlando Utilities Commission

Zip Code : 32827

Category : Power restoration time

Comments : We were fortunate to NOT have any power outage during the storm(s). We live in a gated community that has underground utilities, plus we live a little close to Orlando International Airport which can't hurt.

I haven't checked out OUC's solar sharing plan yet, but I intend to ASAP.
