

Review of Electric Utility Hurricane Preparedness and Restoration Actions

Docket No : 20170215-EU

Name : john cielukowski

Electric Utility Provider : EI802 - Florida Power & Light Company

Zip Code : 32931

Category : Power restoration time

Comments : Florida needs more solar power and less focus on natural gas. We were without power for over a week after Hurricane Irma...it was a miserable experience I want to see more resilient energy technologies like solar and wind taking place in Florida.
