

Review of Electric Utility Hurricane Preparedness and Restoration Actions

Docket No : 20170215-EU

Name : Geraldine Swormstedt

Electric Utility Provider : EI802 - Florida Power & Light Company

Zip Code : 34236

Category : Power restoration time

Comments : Renewable energy is imperative to our survival. Solar power is getting better all the time: Florida should be the leader in the nation. If we had embraced solar power sooner we would not have so much loss of power after the storms. The power companies need to stop fighting solar and start making it more available.
