

Review of Electric Utility Hurricane Preparedness and Restoration Actions

Docket No : 20170215-EU

Name : Dee Wilder

Electric Utility Provider : EM879 - City of Tallahassee

Zip Code : 32301

Category : Power restoration time

Comments : Hurricane Irma showed again how undependable the power grid is when a big storm hits. Power was not restored to the area I live in for several days and, since I have an organ transplant, I began to realize how difficult times were for those who were still on dialysis. It is imperative the City of Tallahassee move forward with dependable options for all citizens.
