Good afternoon, Heidi,

This is a follow-up to our earlier telephone conversation. As discussed, the problem has now been corrected and, unless your e-mail server should experience any issues in the future, you should not receive anything further by fax. Thank you for your patience while we worked the matter out.

Have a great weekend!

Please note: Florida has a very broad public records law. Most written communications to or from state officials regarding state business are considered to be public records and will be made available to the public and media upon request. Therefore, your e-mail communications may be subject to public disclosure.
