RE: Docket No. 20170179-GU - Petition for rate increase by Florida City Gas.
Request for Confidential Classification and request for protective order in Document No. 00935-2018

This recommendation addresses the request for confidential classification and request for protective order for certain information, filed by Florida City Gas (FCG) in Document No. 00935-2018 for certain portion of Citizens' Witness Dismukes testimony, pursuant to Section 366.093 of the Florida Statutes (F.S.), and Rule 25-22.006, Florida Administrative Code.

Staff has reviewed the portion of Citizens' Witness Dismukes testimony regarding the cost for incremental capacity on the Florida Gas Transmission pipeline system, which contain proprietary confidential business information and information relating to competitive interests. Disclosure of such information could impair the competitive business of the provider of information or the efforts of the public utility or its affiliates to contract for goods or services on favorable terms. In staff's opinion, the request meets the criteria for confidentiality set forth in Section 366.093(3)(d) and (e), F.S. Therefore, staff recommends that FCG's request for confidential classification be approved.
