RE: Docket No. 20170179-GU - Petition for rate increase by Florida City Gas.
Request for Confidential Classification for Document No. 10598-2017

This recommendation addresses the request for confidential classification and motion for protective order for certain information contained in responses to Citizens' revised 3rd requests for production of documents (PODs), Nos. 78 and 86, provided in Document No. 10598-2017 by Florida City Gas (FCG), pursuant to Section 366.093 of the Florida Statutes (F.S.), and Rule 25-22.006, Florida Administrative Code.

Staff has reviewed FCG's responses to Citizens' revised 1st requests for PODs, Nos. 78 and 86 regarding pipeline design and available capacity, which contain proprietary confidential business information and information relating to competitive interests. Disclosure of such information could impair the competitive business of the provider of information or the efforts of the public utility or its affiliates to contract for goods or services on favorable terms. In staff's opinion, the request meets the criteria for confidentiality set forth in Section 366.093(3)(d) and (e), F.S. Therefore, staff recommends that FCG's request for confidential classification be approved.
