Hi ladies,

I just wanted to follow up with both of you since I will be out of the office Thursday and Friday.

I'm waiting to hear back from Ellen as to how they would like to receive the petitions. Below are the options we discussed:

The PSC picking up the original hardcopies. CS would retain a scanned copy.

Emailing pdfs to the PSC, probably in groups of 10-20 pdfs per email

- Sending a CD containing all the pdfs to the PSC via interoffice mail

While discussing this with Lori, she mentioned we've been receiving emails on and off since November on this topic. Currently she has 6,492. If these haven't gone to the PSC, it would probably be best to have IT burn them onto a CD to send over to the PSC.

I'm happy to assist when I get back on Monday. If you have questions, let me know 😊

Sincerely,

Jennifer Britt
