**AFFIDAVIT OF CHRISTOPHER M. FALLON IN SUPPORT OF
DUKE ENERGY FLORIDA'S SECOND
REQUEST FOR EXTENSION OF CONFIDENTIAL CLASSIFICATION**

STATE OF NORTH CAROLINA

COUNTY OF MECKLENBURG

BEFORE ME, the undersigned authority duly authorized to administer oaths, personally appeared Christopher M. Fallon, who being first duly sworn, on oath deposes and says that:

1. My name is Christopher M. Fallon. I am employed by Duke Energy Corporation ("Duke Energy") in the capacity of Vice President of Renewables and Commercial Portfolio. Until November 2016, I was Duke Energy's Vice President of Nuclear Development, and as such, I was responsible for the Levy Nuclear Power Plant Project ("LNP"). I am over the age of 18 years old and I have been authorized to give this affidavit in the above-styled proceeding on Duke Energy Florida's (hereinafter "DEF" or the "Company") behalf and in support of DEF's Second Request for Extension of Confidential Classification (the "Request") regarding certain information contained in the Florida Public Service Commission Staff's ("Staff") audit workpapers pertaining to *Audit Control No. 12-010-2-1* (the "workpapers"), originally filed on June 13, 2012 in Docket No. 20120009-EI (document number 03852-2012). The facts attested to in my affidavit are based upon my personal knowledge.

2. As Vice President of Nuclear Development, I was responsible for the licensing and engineering design for the Levy Nuclear Power Plant Project ("LNP" or "Levy"), including

the direct management of the Engineering, Procurement, and Construction ("EPC") Agreement with Westinghouse Electric Company, LLC ("WEC") and Stone & Webster, Inc. ("S&W") (collectively, the "Consortium").

3. DEF is seeking an extension of confidential classification for certain information contained in Staff's audit workpapers pertaining to *Audit Control No. 12-010-2-1* submitted in DEF's First Request for Extension of Confidential Classification filed April 21, 2016 in Docket No. 20160009-EI, (document no. 02350-2016). There are no changes to the information contained in DEF's confidential Exhibit A, redacted Exhibit B, and justification matrix Exhibit C. The referenced exhibits are on file with the Clerk. DEF is requesting an extension of confidential classification of the workpapers because they contain confidential financial and employee information concerning the Levy Nuclear Project ("LNP"), the disclosure of which would impair DEF's competitive business interests and could impair the Company's efforts to negotiate contracts on favorable terms.

4. The Company is requesting an extension of confidential classification of this information because Exhibit A contains proprietary and confidential employee and financial information that would impair DEF's competitive business interests if publicly disclosed. Additionally, if the information at issue was disclosed, DEF's ability to obtain competitive salaries could be compromised by DEF's competitors changing their behavior within the relevant markets.

5. Upon receipt of all this confidential information, and with its own confidential information, strict procedures are established and followed to maintain the confidentiality of the terms of the documents and information provided, including restricting access to those persons who need the information to assist the Company. At no time since negotiating and receiving the

contracts has the Company publicly disclosed the information or the terms of the contracts at issue. The Company has treated and continues to treat the information at issue as confidential.

6. This concludes my affidavit.

Further affiant sayeth not.

Dated this 5th day of March, 2018.
