4. Notice of docket. Petitioner received notice of this docket by a review of the Commission's website.

5. Statement of Substantial Interests. FIPUG is an ad hoc association consisting of industrial users of electricity in Florida. The cost of electricity constitutes a significant portion of FIPUG members' overall costs of production. FIPUG members require adequate, reasonably-priced electricity in order to compete in their respective markets.

6. In this case, the Commission will consider the tax impacts associated with the federal Tax Cuts and Jobs Act of 2017 (the Act) on Duke Energy Florida, LLC ("Duke"). This Act will affect Duke and Duke's customers, including FIPUG members.

7. FIPUG's interests are of the type that this proceeding is designed to protect. *See, Agrico Chemical Company v. Department of Environmental Regulation*, 406 So.2d 478 (Fla. 2nd DCA 1981). The purpose of the proceeding is to consider the tax consequences of the Act on Duke and Duke's customers, including FIPUG members. Thus, the purpose of the proceeding coincides with FIPUG's substantial interests, which is to ensure that the rates of its members who receive electrical service from Duke are fair, just and reasonable.

8. Disputed Issues of Material Fact. Disputed issues of material fact have not yet been identified with certainty; however, the extent of the Act's effect upon Duke and Duke's customers will be determined in the case. FIPUG reserves all rights to raise additional issues in accordance with the Commission's rules and the Order Establishing Procedure in this case.

9. Disputed Legal Issues. Disputed legal issues include, but are not limited to, the following:

a. Has Duke met its burden of proof in this matter?

10. Statement of Ultimate Facts Alleged. Ultimate facts include, but are not limited to, the following:

- a. What impacts does the Act have upon Duke and Duke's customers and the rates that Duke charges its customers, including FIPUG members?

11. Rules and statutes justifying relief. The rules and statutes that entitle FIPUG to intervene and participate in this case include, but are not limited to:

- a. Section 120.569, Florida Statutes;
- b. Section 120.57, Florida Statutes;
- c. Section 366.04(1), Florida Statutes;
- d. Section 366.06, Florida Statutes;
- f. Rule 28-106.201, Florida Administrative Code;
- g. Rule 28-106.205, Florida Administrative Code.

12. Relief. FIPUG requests that it be permitted to intervene as a full party in this docket.

13. Position of Duke. The undersigned is authorized to represent that Duke does not oppose FIPUG's Petition to Intervene.

WHEREFORE, FIPUG requests that the Commission enter an order allowing it to intervene and participate as a full party in this docket.
