Re: Docket No. 060038-EI
Notice of Potential Servicer Default

Dear Ms. Stauffer:

Enclosed for filing in the above docket is Florida Power & Light Company's ("FPL" or the "Servicer") Officer's Certificate advising the Trustee of a potential Servicer Default that FPL recently discovered and is correcting. As described in the Officer's Certificate, an inadvertent error occurred in the submission of a Daily Remittance required by Section 4.03 of the Servicing Agreement. Pursuant to the Servicing Agreement, Section 4.03 Remittances:

(a) the Servicer shall, on each Servicer Business Day, cause to be made a wire transfer of immediately available funds to the General Subaccount of the Collection Account in an amount equal to the Estimated Storm-Recovery Charge Payments received on each day (whether or not the day such payment is received is a Servicer Business Day), together with all Estimated Storm-Recovery Charge Payments for any prior day for which a Remittance has not previously been made, as calculated and further provided in Annex I hereto. Prior to or simultaneous with each Remittance to the General Subaccount of the Collection Account pursuant to this Section 4.03, the Servicer shall provide written notice to the applicable Trustee of each such Remittance (including the exact dollar amount to be remitted and the dates of Estimated Storm-Recovery Charge Payments to which such Remittance corresponds).

A Daily Remittance payment was delivered to the Trustee one day late. The payment was due on February 26, 2018, but was delivered to the Trustee on February 27, 2018.

If you have any questions regarding this filing, please do not hesitate to contact me at (561) 304-5633. Thank you for your assistance.

Respectfully submitted,

/s/ Scott A. Goorland
