Re: Docket No. 20170260; SoBRA Petition by Tampa Electric Company

Dear Commissioner Polmann:

I apologize to you, the Commission, Commission staff and the other parties for not attending the prehearing conference this morning in the above-styled matter. I had erroneously calendared the prehearing conference for 1:30 p.m. this afternoon. I appreciate the efforts other parties made to reach me, and concerns for my well-being. Given my calendaring error, I was in another meeting out of my office at 9:30 a.m.

I accept full responsibility for my error, and for not attending this morning's prehearing conference. While the other parties in this docket have graciously indicated that they would not object if FIPUG participated in the upcoming hearing, I understand that you and the Commission will make the decision about whether FIPUG will be permitted to participate in the upcoming hearing, given my failure to appear at the prehearing conference as scheduled. I will respect whatever decision is made. Again, my apologies.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Jon C. Moyle, Jr.', with a long horizontal flourish extending to the right.

Jon C. Moyle, Jr.
