Re: Deny Rate Increases for all Utility and Insurance Companies for 3 years,

PLEASE, PLEASE, STOP Granting all Utility (electric, water, cable etc.) and Insurance companies their rate increases. I am retired and on a Fixed Social Security Income and I can NOT AFFORD any more rate increases. You did NOT include NO Social Security Income increase for 2016 and 2017 in your evaluation of socio economics do to the republican politicians in the United States Congress for millions of retirees which we received a paltry 2% in 2018! This does not include food, gas, inflation price increases.

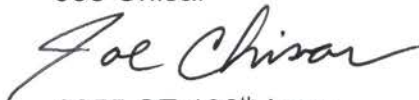

Lobbyist and Made up socio economic factors of public driving records, as well as claims loss statistics to pay for the rebuilding of Puerto Rico's power grid from the last hurricane there does NOTHING for ME only for the Utility, and Insurance companies, Wallstreet, Chairman of the Boards, CEO'S and Vice Presidents to further EMPTY MY WALLET.

Where in Florida State Law does it say I am obligated to pay for and I do NOT want to be paying for GEICO Sales and Marketing television ads that I am bombarded with 12 times a day on every television channel, and I do NOT want to be paying for the GEICO RACING TEAM, (NASCAR, NHRA) and sponsoring the GEICO 500 NASCAR race in Talladega, AL. on April 29, 2018 and all the rest of their sales and marketing hidden and ghost fees, themes and gimmicks that is coming out of MY WALLET. I do NOT want to be paying for ANY sponsoring sporting events from and utility and insurance companies.

I CAN NOT AFFORD ANYMORE RATE INCREASES OF ANY KIND TO EMPTY MY WALLET! PLEASE HELP TO STOP THIS UNETHICAL RAPING OF MY WALLET ANY FURTHER.

Sincerely,

Joe Chisar
