**RE: Public Service Commission  
Rules 25-4.004 and .005**

Dear Ms. Page:

I have reviewed the above-referenced rule and offer the following comments for your consideration and response:

**Notice:** Section 120.54(3)(a)1., Florida Statutes, requires the notice of proposed rulemaking to include whether "based on the statement of the estimated regulatory costs or other information expressly relied upon and described by the agency if no statement of regulatory costs is required, the proposed rule is expected to require legislative ratification." The published notice does not indicate whether legislative ratification is required based upon the prepared SERC. Please publish a notice to correct this omission.

If you have questions, please do not hesitate to contact me. Otherwise, I look forward to your written response.

Sincerely,

A handwritten signature in black ink that reads "Jamie L. Jackson".

Jamie L. Jackson
