

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Petition for limited proceeding for recovery of incremental storm restoration costs related to Hurricane Matthew by Florida Power & Light Company.

DOCKET NO. 20160251-EI
ORDER NO. PSC-2018-0264-CFO-EI
ISSUED: May 25, 2018

ORDER GRANTING FLORIDA POWER & LIGHT COMPANY'S
MOTIONS FOR TEMPORARY PROTECTIVE ORDER
(DOCUMENT NOS. 03354-2018 AND 03360-2018)

On May 1, 2018, pursuant to Section 366.093, Florida Statutes (F.S.), and Rule 25-22.006(6)(c), Florida Administrative Code (F.A.C.), Florida Power & Light Company (FPL) filed Motions for Temporary Protective Order (Document Nos. 03354-2018 and 03360-2018) for its responses to the Office of Public Counsel's (OPC's) Fourth Set of Interrogatories, Nos. 101 and 106, and Second Request for Production of Documents, Nos. 12, 14, and 20 (the discovery responses).

Motion for Temporary Protective Order

Section 366.093(2), F.S., directs that all records produced pursuant to a discovery request for which proprietary confidential status is requested shall be treated by any party subject to the public records law as confidential and exempt from the public records law, Section 119.07(1), F.S. Rule 25-22.006(6), F.A.C., codifies the Florida Public Service Commission's (Commission) policy regarding the protection of confidential information from public disclosure during the discovery process in a manner that is not overly burdensome to both parties. Rule 25-22.006(6)(a) F.A.C., in pertinent part, states:

In any formal proceeding before the Commission, any utility or other person may request a protective order protecting proprietary confidential business information from discovery. Upon a showing by a utility or other person and a finding by the Commission that the material is entitled to protection, the Commission shall enter a protective order limiting discovery in the manner provided for in Rule 1.280, Florida Rules of Civil Procedure.

In addition, Rule 25-22.006(6)(c), F.A.C., states that if a party allows OPC to inspect or take possession of utility information, then that "utility may request a temporary protective order exempting the information from Section 119.07(1), F.S." The Rule further requires the utility to file a specific request for a protective order under paragraph (a) of the Rule if the information is to be used in the proceeding before the Commission.

FPL is seeking protection of the discovery responses on the basis that the responses contain information related to competitive interests, the disclosure of which could harm the competitive business of FPL and the third party provider of the information.

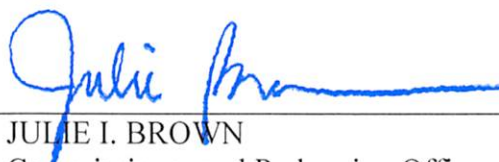

FPL affirms that it has been authorized by counsel for OPC to represent that OPC does not object to the granting of these motions, but OPC does retain its right to contest confidentiality if warranted.

Upon consideration of FPL's assertions of the confidential nature of the information contained in its responses to OPC's Fourth Set of Interrogatories, Nos. 101 and 106, and Second Request for Production of Documents, Nos. 12, 14, and 20, FPL's Motions for Temporary Protective Order are hereby granted. Accordingly, this information shall be protected from disclosure pursuant to Rule 25-22.006(6), F.A.C.

Based on the foregoing, it is hereby

ORDERED by Commissioner Julie I. Brown, as Prehearing Officer, that Florida Power & Light Company's Motions for Temporary Protective Order (Document Nos. 03354-2018 and 03360-2018) are granted.

By ORDER of Commissioner Julie I. Brown, as Prehearing Officer, this 25th day of May, 2018.

NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW

The Florida Public Service Commission is required by Section 120.569(1), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Mediation may be available on a case-by-case basis. If mediation is conducted, it does not affect a substantially interested person's right to a hearing.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.0376, Florida Administrative Code; or (2) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility. A motion for reconsideration shall be filed with the Office of Commission Clerk, in the form prescribed by Rule 25-22.0376, Florida Administrative Code. Judicial review of a preliminary, procedural or intermediate ruling or order is available if review of the final action will not provide an adequate remedy. Such review may be requested from the appropriate court, as described above, pursuant to Rule 9.100, Florida Rules of Appellate Procedure.
