Do you agree with Witness Schultz argues that any insurance proceeds paid to compensate for damage caused by Hurricane Irma should be used to reduce the amount requested by KWRU?

A. Yes, I do. In February 2018, KWRU received a payment of \$???? as compensation for damage sustained from the hurricane.

The amount from Safepoint Insurance was \$19,393.31.
Didn't know if you wanted this but I figured I'd send it off to you in case!
