

**APARTMENT LEASE AGREEMENT**

**THIS APARTMENT LEASE AGREEMENT** (The "Lease") is made this **02/27/2018** by and between Atlantic & Pacific Property Management-Atlantic Division, Inc. (hereinafter referred to as "Manager"), acting for and on behalf of Owner/Landlord and all Principals, agents, and assigns, pursuant to expressed written authority granted to Manager by the Owner/ Landlord of **Ocean Walk** Apartment Community (hereinafter referred to as "Landlord" or "Owner") and \* **KW RESORT UTILITIES CORP** (hereinafter referred to as "Resident" whether one or more persons).

1. **DEMISE.** In consideration of the payment by Resident of the rental payments required to be paid hereunder as and when the same shall become due and the performance of all other covenants and conditions to be kept, performed and observed by Resident under this Lease, Manager hereby demises and Leases the following premises to Resident:

Apartment No. **020 - 207W** located at **3920 S Roosevelt Blvd #207W** City & State: **Key West, FL** Zip: **33040-5204** (hereinafter referred to as the "premises") in the Ocean Walk Apartment Community (the "Apartment Community") together with the furniture, furnishings, and personal property contained therein, if any.

2. **TERM.** The term of this Lease shall be twelve (12) months, commencing on **02/26/2018** and expiring on **09/25/2018**. If actual commencement of occupancy of the premises is delayed because of construction or the holding over of a prior resident, Manager shall not be liable to Resident in any respect for such delay, and this Lease shall remain in full force, subject to the following: (1) The rent shall be abated on a daily basis during such delay, and (2) Resident may terminate this Lease by giving notice in writing to Manager no later than the third day of such delay, whereupon Resident shall be entitled only to a refund of Resident's Security Deposit and prepaid rent. Subsequent to Resident taking occupancy, Manager shall not be liable to Resident for delays in providing requested services inclusive of cleaning and repair services requested by Resident, and Resident shall be strictly limited to those remedies expressly provided in Florida Statutes section 83.56.

3. **RENT.** The Resident agrees to pay the Manager the sum of **\$2495.00** per month as rent. This sum is the total of the following:

<b>Base Rental:</b>	\$2225.00	<b>Monthly Pet Charge:</b>	\$0	<b>Washer/Dryer:</b>	\$0
<b>Parking:</b>	\$0	<b>Water &amp; Trash Fee:</b>	\$70.00	<b>Intrusion Alarm:</b>	\$0
<b>Cable TV:</b>	\$0	<b>Other Rent:</b>	\$200.00		

The Resident agrees that all fees as listed above and all late fees, worthless check fees and any and all contractual fees shall be deemed as additional rent. Resident further agrees to pay the Manager rent in the amount stated above, and as accrued pursuant to the provisions of this Lease Agreement, each month during the term of this Lease. Rental payments shall be made only by personal check, cashier's check, certified check, or money order in U.S. funds, drawn on a bank or savings and loan association or credit union in Florida, except when payment is made by valid money order, and made payable to Landlord. Additionally, Manager may at its sole election also accept payment by ACH transfer or by credit card. Manager will not accept any payment in the form of cash. Rent for each month is due and payable in advance, and must be received by the Manager at its Rental Office located on site, unless location is otherwise noticed in writing. Rent is due on or before the first day of the month without notice or demand. Resident hereby acknowledges that late payment by Resident to Manager will cause Manager to incur costs not contemplated by this Lease, the exact amount of which will be extremely difficult to ascertain. Accordingly, if a rental payment is not paid in full by 5:00 P.M. on the **3rd** of the month, Resident shall pay a late charge of \$125.00 on the 4th day of the month, and an additional late charge of **\$10** per day for every day thereafter in which the full rental amount plus any late and/or other charges remain unpaid, all of which shall be deemed additional rent. The parties agree that such late charges represent a fair and reasonable estimate of the costs Manager will incur by reason of late payment by Resident. The acceptance of such late charges by Manager shall in no event constitute a waiver of Resident's default with respect to overdue amounts, nor prevent Manager from exercising any of the other rights and remedies granted hereunder. If Resident's check fails to clear the bank, a service charge of **\$100.00** shall be assessed, in addition to the accrued late charge, all of which shall be additional rent. In the event Resident presents one worthless check to Manager, or Resident fails to pay rent timely (on or before the 3rd day of the month), Resident agrees that all future rent and charges shall be paid to Manager by Resident in the form of cashier's check, money order or credit card, if applicable.

4. **MOVE IN DATE.** The move-in date shall be **02/26/2018**. Pro-rated rent shall be due from that date until the end of the month in the sum of **\$267.32** and paid prior to Resident taking occupancy. If the move-in date is on any day of the month from the first day of the month through and including the 20th day of the month, then Resident shall pay to Manager prior to taking occupancy the prorated rent from the move-in date until the end of the month. If the move-in date is on any day of the month from the 21st day of the month through and including the last day of such month, then the Resident shall pay prior to taking occupancy the prorated rent from the move-in date until the end of the month, and shall also prepay the entire amount of rent for the first full month. Resident's occupancy of the premises shall start on the move-in date. In the event Resident occupies the premises prior to the term of this Lease as defined in paragraph 2 above, such occupancy shall in no way effect the term of this Lease; however, performance of all obligations, covenants and conditions shall be due from Resident as of the date Resident takes occupancy of the premises.

5. **UTILITIES.** At the inception of the tenancy, Resident shall pay for all utilities servicing the premises. Except for those utilities Manager agrees to furnish, all utilities shall be on a separate metering and/or billing basis directly with the utility providers or on a submetering, square footage or other billing basis as determined by Manager. Resident agrees to pay all utility charges (including utility deposits) assessed by utility companies (or Manager in the case of utilities billed to Resident by Manager) in connection with the use of all utility services provided to the premises which are separately metered and/or billed to Resident during the term of this Lease as such term may be extended, or the period or occupancy of the premises by Resident, whichever is longer. The Manager is not contractually obligated to pay for any utilities provided to the premises during the tenancy; however, specified utilities may be paid for by Manager so long as Manager elects, and shall be used only for ordinary household purposes and shall not be wasted by Resident. Failure by Resident to properly notify utility providers, to place utility services in Resident's name, or to pay for utility services when due shall constitute a breach of this Lease. Utility charges improperly assessed to Manager subsequent to the Resident taking occupancy shall be considered as additional rent. The Manager reserves the right to begin charging the Resident for usage of water, sewage, and cable television service during the term of this Lease upon providing no less than 15 days notice. Unless otherwise noticed, Manager agrees, at Manager's expense, to furnish the following utility services to the premises:

<b>Electricity:</b>	No	<b>Water &amp; Sewer:</b>	No	<b>Garbage Collection:</b>	Yes
<b>Cable:</b>	No	<b>Other:</b>	No		

6. **SECURITY DEPOSIT.** Resident agrees that a Security Deposit in the amount of **\$500.00** has been paid prior to the signing of this Lease or shall be paid upon demand unless Resident provides proof of payment to the Manager. All deposits paid shall be referred to in the aggregate as "Security Deposit". Failure to provide a Security Deposit constitutes a material breach of this Lease and, as such, shall be grounds for eviction. Resident acknowledges receipt of the Security Deposit Addendum incorporated into this Lease by reference.

7. **USE AND OCCUPANCY OF PREMISES.** The premises shall be used by Resident only as a private residence. The premises will be occupied only by: (list all adults and children) \* KW RESORT UTILITIES CORP, Edgar Gonzalez

Resident acknowledges and agrees that any person occupying the premises for a period of 30 days or longer during the term of this Lease shall be deemed an additional occupant. Resident agrees to notify Manager and request written authorization before adding any additional occupants, which is subject to existing Occupancy Standards, Rules and Regulations and other applicable provisions of this Lease and Florida Law.

8. **ACCEPTANCE AND CARE OF THE PREMISES.** Resident acknowledges receipt of the Security Deposit Disposition Statement (hereinafter "SDDS") establishing that Resident has inspected the condition of the premises prior to taking occupancy. The Move-In Condition/Inventory section of the SDDS shall be completed or reviewed by Resident, and signed by Resident. Defects and damages not appearing on the SDDS shall be presumed to have occurred during Resident's occupancy of the premises. Manager reserves the right to impose a claim on Resident's Security Deposit or to demand payment by Resident for repair of damages to the premises occurring during Resident's occupancy. The SDDS shall not constitute a request for repairs, or constitute compliance with notice requirements pursuant to Florida Statutes section 83.56.

9. **RULES AND REGULATIONS.** Resident acknowledges receipt and review of the "Rules and Regulations" regarding Resident's use of the premises and the common areas of the Apartment Community, and which Rules and Regulations are incorporated into this Lease. Resident agrees to abide by all federal, state and local laws and ordinances and agrees not to engage in any activity in or about the premises or the Apartment Community of an illegal nature, purpose or intent. Resident agrees that Resident, Resident's guests, invitees, and occupants shall comply with all written rules and regulations and with all laws, and further agrees that failure to comply shall constitute a breach of this Lease. Manager may make rule changes by posting same on premises, in the Apartment Community or in writing and distributing to all residents which changes shall become a part of this Lease. Resident further acknowledges that no pets, inclusive of visiting pets, are permitted in or about the premises without the prior execution and performance by Resident of the Pet Addendum. Resident agrees to abide by all provisions of Florida Statutes, inclusive of those in section 83.52 entitled Tenant's obligation to maintain dwelling unit. In addition to all other community policies promulgated herein and elsewhere, Resident covenants that Resident, occupant(s), their family, guest(s), invitee(s), and agent(s) shall not be disorderly, boisterous, and shall not disturb the rights, comforts, and conveniences of the Manager, its agent(s), representative(s), and/or employee(s) nor of other prospective, current and prior resident(s), their guest(s), or invitee(s) at the Apartment Community. If any occupant(s), guest(s), and/or invitee(s) of Resident and/or occupant(s) violates any provision of this Lease, the Resident shall be deemed to have violated this Lease for purposes of terminating this Lease if Manager so elects. Resident hereby agrees to be personally responsible to Manager for the costs and expenses incurred by Manager as a result of any damage to the premises, the Apartment Community and/or the Manager's property, real or personal, caused by Resident, occupant(s), invitee(s) and/or agent(s) of Resident or occupant(s).

10. **LAKES, CANALS, PONDS, AND WATERWAYS.** Resident acknowledges and understands that any lakes, canals, ponds, or waterways that are located upon the premises exist for aesthetic or water management purposes only, and are not provided as an amenity or controlled by Manager. Resident acknowledges that swimming is prohibited in any lake, canal, pond, or waterway. Resident agrees to take all necessary precautions around these areas so as to prevent any injuries to Resident or to persons on the premises with Resident's consent. Resident further agrees to assume all risks, hold harmless, defend, and indemnify Landlord and Manager for all loss and injury to persons or property relevant to the presence and use of Lakes, Canals, Ponds, and Waterways.

11. **REIMBURSEMENTS BY RESIDENT.** Resident agrees to reimburse Manager promptly for the amount of loss, property damage, or cost of repairs or services, including plumbing disorders and appliance repairs, caused by intentional acts, negligence or improper use by Resident, Resident's agents, invitees, family or guests. Resident shall be responsible for any damage resulting from windows or doors left open. Acceptance of money from Resident shall not act as a waiver by Manager of Manager's rights to pursue any and all remedies available to Manager under the circumstances. Reimbursement for property damage, late payment charges, returned check charges, or other sums due from Resident, shall be due immediately upon demand by Manager. Manager's failure or delay in demanding damage reimbursements, late payment charges, returned check charges, or other sums due from Resident shall not be deemed a waiver thereof, and Manager may demand same at any time, including, but not limited to, at or after move-out. IT IS AGREED AND UNDERSTOOD THAT MANAGER MAY, UPON TERMINATION OR EXPIRATION OF THE LEASE, DEDUCT UNPAID RENT, DAMAGE REIMBURSEMENTS, UTILITY CHARGES, LATE PAYMENTS CHARGES AND/OR RETURNED CHECK CHARGES OR ANY PORTIONS THEREOF, FROM RESIDENTS SECURITY DEPOSIT, WITHOUT WAIVER OF ANY OTHER RIGHTS OR REMEDIES OF MANAGER, ALL IN ACCORDANCE WITH THE TERMS OF THIS LEASE.

12. **RESIDENT'S ASSUMPTION OF RISKS.** Prior to taking occupancy of the premises and at all times during the tenancy, Resident is required to maintain appropriate and adequate insurance to insure all claims for loss or injury to person and property and Resident agrees to look solely to the insurer of Resident's person and property for recovery for any loss suffered by Resident during the tenancy, except losses occurring directly and specifically due to Landlord's or Manager's gross negligence. Resident acknowledges and agrees that Landlord and Manager, and their respective agents or employees, shall not be liable to Resident, or Resident's family, agents, invitees, employees or others on the premises or the Apartment Community with Resident's consent for any damages or losses to persons or property caused by any person, animal or occurrence unless injury, loss or damage is caused directly and specifically by Landlord's or Manager's gross negligence, and Resident acknowledges and accepts that any claim by Resident regarding the gross negligence of the Landlord or Manager, is subject to the definition and requirements as stated in the last section of this paragraph. Landlord and Manager shall not be liable for personal injury or for damage or loss of Resident's personal property, inclusive of vehicles, furniture, jewelry, clothing and intellectual property from theft, vandalism or other criminal act, hurricanes, fire, water, rain, contaminants, storms, smoke, explosions, sonic booms, or other causes whatsoever unless the same is due to the gross negligence of the Manager or Landlord. If any of Landlord's or Manager's employees or agents are requested to render any hired or courtesy services such as moving automobiles, handling furniture, dry cleaning, signing for or delivering packages, or any other hired or courtesy services not specifically agreed upon in this

Lease, such employees or agents shall be deemed the agent of Resident regardless of whether payment is made and/or arranged for such service by Landlord or Manager, and Resident agrees to assume all risks for same. In addition to maintaining insurance adequate to insure all claims for loss or injury to Resident or Resident's property, Resident is required to maintain insurance with policy limits of not less than \$50,000 per occurrence and otherwise reasonably sufficient to cover injury to third persons on the premises with Resident's consent and to cover loss or damage to property belonging to others, including other Residents, the Manager and the Landlord to the extent the loss or injury is caused by Resident. Resident agrees to name the Manager, the Landlord, and the property as a loss payee and otherwise to indemnify, defend, and hold harmless Landlord and Manager from and against any and all claims for damages to property or persons arising from Resident's use of the premises or the Apartment Community, and from other activities, inclusive of work permitted or suffered by Resident on or about the premises or the Apartment Community. Resident acknowledges and represents that Resident understands and agrees that any claim or allegation of negligence against Manager and its assigns, employees, agents and representatives shall require proof by the claiming party that the Manager had actual knowledge of a pending loss, grossly failed and refused to act reasonably to prevent or mitigate said loss, and possessed the present and actual duty and reasonable ability to act.

13. **DAMAGE, DESTRUCTION OR DISINTEGRATION OF PREMISES.** In the event of damage to the premises by fire, water, or other hazard, or in the event of malfunction or disintegration of equipment, utilities or structure, including roof leakage, Resident shall immediately notify Manager. If damages are such that occupancy can be continued, Manager shall make repairs as needed with reasonable promptness and rent shall not abate during the period of such repairs. If only part of the premises is rendered unusable by damage or destruction, the Resident may vacate only that portion of the premises rendered unusable and Resident's rent shall be reduced by the fair market value of the unusable portion of the premises during the period of partial vacancy, provided the damage or destruction was not caused by Resident and/or occupant, guest, agent or invitee of Resident or occupant, but in all other respects the terms and provisions hereof shall continue in full force and effect. In either event, if the damages resulted from the wrongful or negligent acts of Resident or occupant (or their guests, invitees or agents), Manager may pursue all of its remedies against Resident provided for hereunder and under Florida law. If, in Manager's opinion, the premises are so damaged or destroyed other than by the wrongful act or negligence of Resident or occupant (or their guests, invitees or agents) so as to be unfit for occupancy, and Manager elects to make repairs, the rent provided in this Lease shall abate during the period of time when the premises are not fit for occupancy. Resident agrees that rent abatement for the period of time the premises cannot be occupied is the sole remedy available to Resident and that in all other respects the terms and provisions herein shall continue in full force and effect. In the event that the premises are so damaged or destroyed as to be, in the opinion of Manager, incapable of being satisfactorily repaired, then Manager may in addition to Manager's other remedies provided hereunder or under Florida law: (i) terminate this Lease, in which event Resident shall immediately vacate the premises and Resident shall be liable only for rental payments up to the date of such vacating, or (ii) without terminating the Lease, require Resident to accept a comparable apartment unit in the Apartment Community for the remaining term of the Lease, in which event all of the terms and provisions of this Lease shall continue in full force and effect in relation to such comparable apartment unit, and Resident shall immediately vacate the premises and take possession of such comparable apartment unit.
14. **RIGHTS OF ENTRY.** Landlord and Manager shall have the right to enter upon the premises at all times and under all circumstances as provided in Florida Statutes section 83.53, inclusive of the purpose of inspecting the same and making necessary repairs and maintenance thereto. Resident shall receive reasonable notice at least 12 hours prior to entry for normal repairs, and repairs shall occur between the hours of 7:30 a.m. and 8:00 p.m. Such right of entry hereby granted to Landlord and Manager shall include any and all reasonable business purposes connected with the Management and operation of the Apartment Community, and any business relating to the premises incident to the management and operation of said Apartment Community.
15. **SUBLETTING AND ASSIGNMENT.** Subletting, assignment or securing a replacement by Resident is not permitted.
16. **MANAGER'S OBLIGATIONS.** Manager agrees to comply with Florida Statutes, including making all reasonable repairs, conditioned upon proper notification by Resident and the absence of Resident's obligation to pay for damages caused by Resident or Resident's family, guests, invitees, or employees. Manager further agrees to comply with all applicable state and local laws. Notwithstanding the foregoing, Manager is not responsible to Resident for conditions created or caused by the wrongful or negligent acts or omissions of Resident or occupant (or their family, agents, invitees, or employees). Manager's failure to fulfill the agreements contained herein within a reasonable period of time shall not affect Resident's obligation to promptly pay the rent when due under this Lease, nor give Resident any right of abatement or withholding or escrowing of rental payments, except as may be otherwise provided under Florida law.
17. **DEFAULT BY RESIDENT.** If any rent required by this Lease shall not be paid when due, or if the Resident (or other occupants, guests or invitees) in any other manner fails to perform any of the terms or conditions of this Lease, including, but not limited to, any of the provisions of the Termination and Renewal & Early Lease Termination By Resident (see Paragraph number 18 & 19, following), the Rules and Regulations and any other applicable addendum hereto; or, if the Resident fails to fulfill the obligations imposed upon him by law; or, if the premises Leased hereunder shall be abandoned or vacated prior to the expiration of the term of this Lease; then, in any of the foregoing instances, the Resident shall be deemed to have breached this Lease and the Manager shall have all rights provided under this Lease and under federal, state and local law, including Florida Statutes section 83.595, including the right to terminate the Lease, retake possession of the premises, and recover all damages resulting from such breach. Application of the Security Deposit to past due rent and/or termination of the Lease shall not act as a limitation of Manager's right to all damages resulting from Resident's breach of this Lease, to the extent permitted by law. If, prior to the expiration or termination of this Lease, the Resident vacates the premises either voluntarily or involuntarily, all rent due for the remainder of the term of this Lease shall thereupon, immediately, without demand or notice, become due and payable unless the Resident is excused therefrom, in writing, by the Manager.
18. **TERMINATION AND RENEWAL.** This Lease may be terminated by either Manager or Resident at the end of the original term, or at the end of any renewal term, thereafter, upon the party desiring to terminate giving to the other party 60 days written notice prior to the intended termination date. Subject to Manager's consent, Resident may renew this Lease by providing 60 days written notice to Manager prior to the expiration of this Lease or any renewal thereof. The Lease then may be renewed for such period and under such terms and conditions as may be agreeable to Manager and Resident. IF NEITHER MANAGER NOR RESIDENT SHALL GIVE ANY OF THE NOTICES PROVIDED FOR IN THIS PARAGRAPH WITHIN THE TIME PROVIDED, TENANCY SHALL AUTOMATICALLY BECOME MONTH-TO-MONTH AFTER THE EXPIRATION OF THE TERM OF THIS LEASE OR RENEWAL THEREOF, AND WHICH TENANCY SHALL REQUIRE NOT LESS THAN 15 DAYS WRITTEN NOTICE OF TERMINATION PRIOR TO THE NEXT RENT DUE DATE IN ORDER TO TERMINATE THE MONTH-TO-MONTH TENANCY. THE RENTAL RATE FOR SAID MONTH-TO-MONTH TENANCY SHALL BE THE MARKET RATE CHARGED BY LANDLORD OR MANAGER FOR SIMILAR APARTMENTS IN EFFECT AT THE TIME OF CONVERSION TO THE MONTH TO MONTH TENANCY, PLUS THE MONTH TO MONTH FEES IN EFFECT AT THE TIME OF SUCH CONVERSION, WHICH SHALL BE CONSIDERED AS ADDITIONAL RENT. All other provisions of this Lease not inconsistent with this paragraph shall remain in full force and effect during the term of the month-to-month tenancy. If Resident or Manager gives notice of termination of the Lease in accordance with the terms hereof, and Resident fails to completely vacate the premises prior to the expiration of the notice, and/or if Resident otherwise continues in possession of the premises after expiration or termination of the Lease without the prior written approval from Manager, Resident shall be liable, in addition to all other damages provided for under the Lease and/or Florida law, for double the daily rental based on a proration of the monthly rental amount provided in the Lease for each day Resident so continues in possession of the premises.
19. **EARLY LEASE TERMINATION BY RESIDENT.** Provided that Resident shall not be in default under this Lease, Resident shall have the right to terminate this Lease after either: (i) three months from the lease commencement date by delivery of a 60-Day written notice to Manager no earlier than this three month date and payment to Manager at the time of giving such notice a termination charge equivalent to two (2) month's rent, or (ii) six months from the lease commencement date by delivery of a 60-Day written notice to Manager no earlier than this sixth month date and payment to Manager at the time of giving such notice a termination charge equivalent to one (1) month's rent; plus reimbursement for any and all concessions or specials given to Resident. The termination charge shall operate as liquidated damages for both parties. Resident acknowledges receipt of the Liquidated Damages Addendum incorporated into this Lease by reference. As a condition to exercising this termination option, Resident must pay all rent accrued for the days Resident occupies the premises. ## BED BUG ADDENDUM

Resident: \* KW RESORT UTILITIES CORP

Address: 3920 S Roosevelt Blvd #207W Apartment No. 207W  
Key West, FL 33040

This bed bug addendum was made and entered into on 02/26/2018 by and between the owners, agents, management, employees and representatives of Ocean Walk hereinafter referred to as "Landlord" and \* KW RESORT UTILITIES CORP hereinafter referred to as "Resident"; and

WHEREAS, this addendum shall be made a part of the residential lease agreement signed between the parties concerning the premises noted above; and

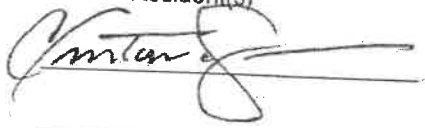

WHEREAS, the Landlord and Resident fully intend to be bound by this agreement; and

NOW THEREFORE, in consideration of the mutual covenants contained herein and other good and valuable consideration, the Landlord and the Resident hereby agree as follows:

1. That bed bugs are an unfortunate occurrence in all parts of the United States, including South Florida. Bed bugs are almost always introduced to an apartment by human activities; they are usually introduced through personal items such as luggage, purses, brief cases or furniture and other personal items brought into the apartment unit. While management is not aware of a particular problem affecting the Resident's unit, the parties enter into this Addendum so that their relationship may be clearly understood in the event of particular concerns of resident or in the event of a problem. Landlord hereby informs the Resident and Resident acknowledges that the premises have been thoroughly inspected prior to Resident taking possession of the unit. The apartment has been fully cleaned and vacuumed. All electrical outlets, air-conditioner ducts, appliances, baseboards, carpets, closets and cabinets have been inspected by Resident and have been determined by Resident to be bed bug free.
2. The Resident may choose to have an inspection of the premises performed at their expense by an approved third party prior to moving the premises. The management office has a list of approved third party pest control companies that may inspect the premises. If after the inspection it is determined that there are bed bugs present, management will have their own pest control company come in to re-inspect the premises and if the bed bugs are present, apply treatment at management's cost; additionally, if bedbugs are found by the inspection and prior to move in, management shall reimburse resident (or give a credit) for the inspection cost (if paid by resident). However, if no bed bugs are found, any preventive treatment that Resident opts to take is at Resident's own cost.
3. If during the term of the Resident's tenancy bed bugs appear in the apartment, Resident acknowledges that the treatments will be at the Resident's expense. Management will arrange for the treatments through their pest control company. However, it is Resident's responsibility to properly prepare the apartment unit. The Resident agrees to follow the procedure outlined in this addendum in preparation for the bed bug treatment. Resident also acknowledges that if Resident does not comply with the preparation of the treatment and treatment is unsuccessful, Resident will not only be financially responsible for subsequent treatments to the apartment unit, but for any treatment to adjoining units that are infected by the bed bugs.

4. The following preparations must be followed:
  - a. Resident may not remove anything from the infected apartment prior to treatment. This includes appliances, furniture or clothing.
  - b. Resident agrees to close the blinds and turn off the lights.
  - c. Resident must either dispose of the mattress and box spring and Resident acknowledges that these items may not be placed by the property dumpster.
  - d. All items attached to the wall must be removed from the wall but left in the room. The bed must be pulled away from the wall, but left in the room. Large furniture should be pulled away from the wall, if possible, but left in the room.
  - e. Please note that the carpeting will be pulled up from around the perimeter of the room, but left on the floor.
5. Post Treatment, Resident's responsibilities include:
  - a. Removing all bed linen and placing them in a sealed bag and having them immediately cleaned in hot water or dry cleaned.
  - b. It is strongly recommended that all clothing in the unit is thoroughly cleaned after treatment.
6. Resident acknowledges that after the initial treatment there will be follow-up service at the apartment in approximately 7 days. Once again, Resident will be obligated to follow the preparations outlined hereinabove.
7. Resident acknowledges that after 7 day follow-up treatment, the apartment unit will be inspected after 30 days.
8. Resident understands that denial of access to the Landlord or the Landlord's agents to service the unit, failure of cooperation to prepare the unit for treatment, as well as refusal of payment for the bed bug service is a material breach of the lease agreement and will be grounds for the issuance of a 7-day notice to cure and a 7 day notice to vacate as provided in the Florida Statutes.

15) **WINDSTORMS AND HURRICANES.** The Apartment Community is located in Florida, and a wind storm or hurricane can strike any area throughout Florida with little or no notice. Because a wind storm or hurricane can strike in any area throughout Florida, the Residents assume a high degree of risk that the premises and/or the Apartment Community may suffer damage due to a wind storm or hurricane. Neither the Apartment Community nor the premises are designated hurricane shelters, and that in the case of wind storms or hurricanes, it is strictly Residents' choice to remain on the Apartment Community or premises. Landlord and Manager strongly encourage the necessity in obtaining renters insurance to protect the Residents' personal property or of any of their agents' or invitees' personal property, due to the high degree of damage of such wind storm, hurricane or other casualty could produce.

A. Termination of Lease Agreement

1. Expiration of the term of the Apartment Lease Agreement and attachments, inclusive of renewals, and compliance with the notice requirements thereunder, including notice of non-renewal and notice of termination of a month-to-month tenancy if applicable. 4. **DISCLOSURE.** By execution of this Agreement, Resident acknowledges receipt and having read the following disclosure as required by Section 83.49 Florida Statutes (2013):

Your lease requires payment of certain deposits. The landlord may transfer advance rents to the landlord's account as they are due and without notice. When you move out, you must give the landlord your new address so that the landlord can send you notices regarding your deposit. The landlord must mail you notice, within 30 days after you move out, of the landlord's intent to impose a claim against the deposit. If you do not reply to the landlord stating your objection to the claim within 15 days after receipt of the landlord's notice, the landlord will collect the claim and must mail you the remaining deposit, if any.

If the landlord fails to timely mail you notice, the landlord must return the deposit but may later file a lawsuit against you for damages. If you fail to timely object to a claim, the landlord may collect from the deposit, but you may later file a lawsuit claiming a refund.

You should attempt to informally resolve any dispute before filing a lawsuit. Generally, the party in whose favor a judgment is rendered will be awarded costs and attorney fees payable by the losing party.

This disclosure is basic. Please refer to part ii of chapter 83, florida statutes, to determine your legal rights and obligations.

5. Manager agrees to refund the Security Deposit to Resident after deducting therefrom all damages or charges for which Resident is legally liable in accordance with the provisions of Florida law. After inspection by Manager, appropriate charges will be assessed by Manager including but not limited to missing items, damages or repairs to the premises, or its contents (normal wear and tear excepted); insufficient light bulbs; scratches, burns or holes in the walls, doors, floors, floor coverings, draperies, blinds, carpets and/or furniture; and for cleaning the premises including all kitchen appliances and other items specified on the SDDS.
