## **NOTICE**

### **TO PROPERTY OWNERS REQUESTING SERVICE FROM UTILITIES, INC. OF FLORIDA June 4, 2018**

#### **Gross-Up of Service Availability Charges and Contributed Property**

Congress has passed, and the President has signed, the Tax Cuts and Jobs Act, effective January 1, 2018, which, among other things, removes the exemption from federal income taxes for contributions-in-aid-of-construction ("CIAC"). On March 1, 2018, the Florida Public Service Commission approved a tariff for the gross-up of CIAC in order to recover the federal and state corporate income taxes associated with those contributions. Upon the effective date of the utility's tariff, the utility may gross-up cash service availability charges and property contributions in aid of construction. Subsequently, Utilities, Inc. of Florida requested that the Florida Public Service Commission allow it to discontinue collecting the gross-up of CIAC, which request was approved. The termination of this tariff is effective for connections made on or after April 20, 2018. If you have any questions about these charges, please contact the utility at (866) 842-8432.
