Re: Docket No. 20170171-WS - Resolution of the Board of County Commissioners of Leon County declaring Leon County subject to the provisions of Section 367, Florida Statutes.

Dear Mr. Coleman:

The Board of County Commissioners of Leon County (County) adopted Resolution No. R17-12 on June 20, 2017. The resolution transferred jurisdiction over privately-owned water and wastewater utilities in Leon County to the Florida Public Service Commission (FPSC or Commission), effective the date the County voted on the resolution. A copy of the Commission's order acknowledging the transfer of jurisdiction is provided as Enclosure 1.

The FPSC is a state agency which provides service regulation over the provision of service to utility customers, and economic regulation over utility rates and charges pursuant to Chapter 367, Florida Statutes (F.S.). Our jurisdiction is separate and distinct from the jurisdiction of the Florida Department of Environmental Protection and your local water management district. Section 367.022, F.S. (Enclosure 2), provides a list of exemptions from FPSC regulation.

Based on your conversation with Commission staff, it appears that Lake Bradford Estates Mobile Home Park is exempt from Commission regulation based on Section 367.022(5), F.S. Please provide a written response by October 27, 2017, affirming that Lake Bradford Estates Mobile Home Park is a landlord providing service to its tenants without specific compensation for the service.

However, the owner of Lake Bradford Estates Mobile Home Park or any successors in interest are put on notice that if there is any change in circumstance or method of operation which causes it to no longer qualify for exemption pursuant to Section 367.022, F.S., it should inform the Commission within 30 days of such change so that its status may be reevaluated.

Please be advised that pursuant to Section 837.06, F.S., whoever knowingly makes a false statement in writing with the intent to mislead a public servant in the performance of his or her official duty shall be guilty of a misdemeanor of the second degree, punishable as provided in Sections 775.082 or 775.083, F.S.
