DOCKET NO. 20180001-EI
ORDER NO. PSC-2018-0360-CFO-EI
ISSUED: July 24, 2018

ORDER GRANTING TAMPA ELECTRIC COMPANY'S SECOND
REQUEST FOR EXTENSION OF CONFIDENTIAL CLASSIFICATION
(DOCUMENT NO. 02278-2014, X-REF. 01992-2014)

On June 5, 2018, pursuant to Section 366.093, Florida Statutes (F.S.), and Rule 25-22.006, Florida Administrative Code (F.A.C.), Tampa Electric Company (TECO) filed its Second Request for Extension of Confidential Classification (Request) for certain information contained in Commission staff's audit work papers associated with Audit Control No. 14-027-2-2 (Document No. 02278-2014, x-ref. 01992-2014). Confidentiality for these materials was initially granted by Order No. PSC-2014-0478-CFO-EI, issued on May 14, 2014, and extended by Order No. PSC-2016-0540-CFO-EI, issued on November 28, 2016.

Request for Confidential Classification

The information contained in Audit Control No. 14-027-2-2 consists of individual customers' bank information, fuel oil and coal contract rates and transportation rates, and purchased fuel oil and coal volumes. TECO contends that nothing has changed since the issuance of Order No. PSC-2014-0478-CFO-EI to render the information stale nor has TECO made the information public and, therefore, the information contained in Audit Control No. 14-027-2-2 continues to be proprietary confidential business information within the meaning of Section 366.093(3), Florida Statutes.

TECO argues that this information should continue to be protected by Section 366.093(3)(d), F.S. In addition, TECO contends that this information continues to relate to competitive interests, the disclosure of which would impair the competitive business of TECO, its affiliates, or its vendors and should continue to be protected pursuant to Section 366.093(3)(e), F.S.

Ruling

Section 366.093(1), F.S., provides that records the Commission has found to contain proprietary business information shall be kept confidential and shall be exempt from Chapter 119, F.S. Section 366.093(3), F.S., defines proprietary confidential business information as information that is intended to be and is treated by the company as private, in that disclosure of the information would cause harm to the company's ratepayers or business operations, and has not been voluntarily disclosed to the public. Section 366.093(3), F.S., provides that proprietary confidential business information includes, but is not limited to:

(d) Information concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms.

(e) Information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information.

Upon review, it appears the above-referenced information continues to satisfy the criteria set forth in Section 366.093(3), F.S., for classification as proprietary confidential business information. The information described above appears to be information concerning contractual data and competitive interests, the disclosure of which would impair the competitive business of TECO or its affiliates or its vendors. Thus, the information identified in Document No. 02278-2014, x-ref. 01992-2014, shall continue to be granted confidential classification.

Pursuant to Section 366.093(4), F.S., the information for which confidential classification is granted herein shall remain protected from disclosure for a period of up to 18 months from the date of issuance of this Order. At the conclusion of the 18-month period, the confidential information will no longer be exempt from Section 119.07(1), F.S., unless TECO or another affected person shows, and the Commission finds, that the records continue to contain proprietary confidential business information.

Based on the foregoing, it is hereby

ORDERED by Commissioner Gary F. Clark, as Prehearing Officer, that Tampa Electric Company's Second Request for Extension of Confidential Classification of Document No. 02278-2014, x-ref. 01992-2014, is granted. It is further

ORDERED that the information in Document No. 02278-2014, x-ref. 01992-2014, for which confidential classification has been granted, shall remain protected from disclosure for a period of up to 18 months from the date of issuance of this Order. It is further

ORDERED that this Order shall be the only notification by the Commission to the parties of the date of declassification of the materials discussed herein.

By ORDER of Commissioner Gary F. Clark, as Prehearing Officer, this 24th day of July, 2018.

This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Mediation may be available on a case-by-case basis. If mediation is conducted, it does not affect a substantially interested person's right to a hearing.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.0376, Florida Administrative Code; or (2) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility.
