RE: Docket No. 20180109-EI - Petition for initiation of formal proceedings for relief against Florida Power & Light Company regarding backbilling for alleged meter tampering and disconnection, by Terry A. Avera

On August 2, 2018, Frank Hollander, counsel for Terry A. Avera, in Docket No. 20180109-EI filed a Notice of Settlement with the Commission stating that Mr. Avera had reached confidential settlement of all issues raised in his complaint against Florida Power & Light Company. On August 3, 2018, staff counsel received email confirmation from Mr. Hollander that Mr. Avera wished to dismiss his complaint and requests the docket to be closed (email is attached).

As there are no remaining issues to be addressed by the Commission regarding Mr. Avera's complaint, and a filing fee was not required in this case, pursuant the Commission's Administrative Procedure Manual §2.07(C)(2)d.4., staff counsel requests that Docket No. 20180109-EI be administratively closed.
