Subject: Notification of Unaccepted E-filing (E-filing ID = 15173)

The document presented has been reviewed by the Office of Commission Clerk and has not been accepted as an e-filing. This was filed as "Application for Original Certificate of Authorization Following Rescission of Jurisdiction by a County: Utility Information," however, there was no application included with what appears to be a transmittal cover page. If you have any questions regarding filing of an application, please contact Robert Graves in our Division of Engineering at (850) 413-7009.

If you are trying to update utility information, please print and update a Change of Company Information on Regulated Utility Form, available from the Commission's website (<http://www.floridapsc.com/>) under Clerk's Office. Forms must be signed and dated and may be emailed to Clerk@psc.state.fl.us or mailed to the Florida Public Service Commission, Office of Commission Clerk, 2540 Shumard Oak Boulevard, Tallahassee, Florida 32399-0850.

If you have any questions, please contact the Office of Commission Clerk at clerk@psc.state.fl.us or by telephone at (850) 413-6770.
