Re: Petition by Tampa Electric Company for a limited proceeding to approve Second SoBRA effective January 1, 2019; FPSC Docket No. 20180133-EI

Dear Ms. Stauffer:

Attached for filing in the above docket is Page 1 of 2 of Document No. 3 of Exhibit No. \_\_\_ (RJR-1) for witness Rocha, marked REVISED: 08/08/2018, which we request you distribute to the Commission recipients of the original of June 29, 2018 filing of Mr. Rocha's exhibit. In the original filing the Capital Revenue Requirement (RR) line was incorrect and consequentially made the Total RR line incorrect. This revised page corrects these errors. However, the Total RR values reported in the body of Mr. Rocha's testimony were correct as filed and don't need to be changed.

Thank you for your assistance in connection with this matter.

Sincerely,

  
James D. Beasley
