Re: Docket No. 20180021-WS, Application for staff-assisted rate case in Highlands County by Country Walk Utilities, Inc.

Dear Mr. Rendell:

By this letter, the Commission staff requests the following information.

1. Does Country Walk have two wells at the plant site?
2. What is the status of each of those wells?
3. If one of the wells is no longer in use, what retirement, if any, was made to the appropriate plant and accumulated depreciation accounts? In what year was the retirement made?
4. Please provide a copy of the prior Country Walk Operation and Maintenance Agreement with U.S. Water Service Company signed on October 1, 2013.
5. What subsidies were minimized in the revised October 1, 2017, Operation and Maintenance agreement?

Please provide the requested information to Commission staff by no later than 30 days. If you have any questions, please contact me at (850) 413-7003.

Sincerely,

A handwritten signature in black ink that reads "Lee Smith".
