Dorothy,

I'm in depositions today offsite, but given Jennifer's response, removing them would be fine on my end.

Thanks,
Kurt

Jennifer,

I just looked at this really quickly yesterday (didn't know there was a rush on it). Do you see any issues with them being removed from the docket?

Thanks,
Kurt

Good afternoon, Kurt and Rachel,

We have received an e-filing from atty Keating requesting that Southern Company Gas/O'Farrow and Wade be removed from Dockets 20180003 and 20180004 (see Parties Correspondence DN 05141-2018). We note that Southern Company Gas is an official party of record. Please advise if it's okay to remove this party from those dockets.

Thank you for your help,
Dorothy
