RE: Proposed Sale of Vero Beach City Utilities to FPL

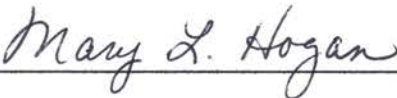

Dockets:
20170235
20170236

I would like to go on record as a City of Vero Beach Utility customer and state that I am very much in favor of the sale of the Vero Beach electric power to Florida Power and Light.

I have followed the news over these many months of the proposed sale and was very pleased when it appeared to be a done deal. I had anticipated a switch over date of October 1, 2018 for my utilities to move to FPL.

I hope that this letter will be taken into consideration when the last-minute appeal(s) are being discussed in front of the Commission. Thank you for your consideration of my opinion.

Sincerely,

Mary L. Hogan
