Subject: Docket NO. 20180047-EI - Motion to modify the OEP

Margo:

It is been brought to my attention that our Motion filed yesterday had a typo on the second page, second full paragraph. Our intent was to ask for intervenor filing to be made on October 15th and not the 8th. The correct date is set out in the revised procedural schedule. I called counsel for DEF and confirmed that their lack of objection was based on the October 15th date. I also confirmed with the other intervened parties (FRF, FIPUG and PCS) that they do not intend to file testimony and that I could represent that to the Commission staff.

I apologize for the confusion and the extra work. Please call me at 717-0328 with any questions.

Charles
