DOCKET NO. 20180001-EI  
ORDER NO. PSC-2018-0483-CFO-EI  
ISSUED: September 26, 2018

ORDER GRANTING TAMPA ELECTRIC COMPANY'S  
REQUEST FOR CONFIDENTIAL CLASSIFICATION  
(DOCUMENT NO. 05244-2018)

On August 10, 2018, pursuant to Section 366.093, Florida Statutes (F.S.), and Rule 25-22.006, Florida Administrative Code (F.A.C.), Tampa Electric Company (TECO) filed a request for Confidential Classification (Request) of its January 1, 2018 through July 31, 2018 Hedging Activity Report (Report), Ex. No. JBC-2 to the testimony of J. Brent Caldwell (Document No. 05244-2018).

Request for Confidential Classification

TECO contends that the information contained on its January 1, 2018 through July 31, 2018 Hedging Activities Report, Ex. No. JBC-2, constitutes proprietary confidential business information entitled to protection under Section 366.093, F.S., and Rule 25-22.006, F.A.C. TECO asserts that this information is intended to be and is treated by TECO as private and has not been publicly disclosed.

The information contained in TECO's January 1, 2018 through July 31, 2018 Hedging Activities Report, Ex. No. JBC-2, is information regarding the hedged volume and prices for natural gas traded in 2018. TECO argues that this information is protected by Sections 366.093(3)(d) and (e), F.S. TECO has requested confidentiality for a period of three years for the Report since it provides detailed natural gas purchase strategies of a continuing nature which will be in place for more than 18 months.

Ruling

Section 366.093(1), F.S., provides that records the Florida Public Service Commission (Commission) has found to contain proprietary business information shall be kept confidential and shall be exempt from Chapter 119, F.S. Section 366.093(3), F.S., defines proprietary confidential business information as information that is intended to be and is treated by the company as private, in that disclosure of the information would cause harm to the company's ratepayers or business operations, and has not been voluntarily disclosed to the public. Section 366.093(3), F.S., provides that proprietary confidential business information includes, but is not limited to:

- (d) Information concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms.

(e) Information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information.

Upon review, it appears the above-referenced information satisfies the criteria set forth in Section 366.093(3), F.S., for classification as proprietary confidential business information. The natural gas and coal sales information, if disclosed, could be used by suppliers to negotiate more favorable terms for these commodities to the detriment of TECO's ratepayers. Thus, the information identified in Document No. 05244-2018 shall be granted confidential classification.

Pursuant to Section 366.093(4), F.S., confidential classification may only extend for up to 18 months from the issuance of an Order granting confidential classification unless "the Commission finds, for good cause, that the protection from disclosure shall be for a specified longer period." TECO appears to have provided sufficient information concerning the harm which could arise from not protecting this information for a minimum of three years. Accordingly, the information identified in Document No. 05244-2018, shall be granted confidential classification for a period of three years from the issuance of this Order.

Based on the foregoing, it is hereby

ORDERED by Commissioner Gary F. Clark, as Prehearing Officer, that Tampa Electric Company's Request for Confidential Classification of Document No. 05244-2018, is granted, as set forth herein. It is further

ORDERED that the information in Document No. 05244-2018 for which confidential classification has been granted, shall remain protected from disclosure for a period of up to 36 months from the date of issuance of this Order. It is further

ORDERED that this Order shall be the only notification by the Commission to the parties of the date of declassification of the materials discussed herein.

By ORDER of Commissioner Gary F. Clark, as Prehearing Officer, this 26th day of September, 2018.
