Sierra Club itself is withdrawing from the docket as a party of record completely.

Delete Sierra Club from the parties list. Thanks!

Good afternoon, Charlie,

Sierra Club/Jaffe has filed a notice of withdrawal (DN 06557-2018) in the above referenced docket. Please confirm:

- 1) Whether CLK is only to remove Atty Jaffe's name from the parties list with Sierra Club/Csank remaining; or if Sierra Club itself is withdrawing from the docket as a party of record completely.
- 2) If Sierra Club is withdrawing completely, please confirm if we are to delete Sierra Club from the parties list, or designate them as an interested person.

We will take the appropriate action once we receive your response.

Thank you for your help,

Dorothy
