DOCKET NO. 20180001-EI
ORDER NO. PSC-2018-0508-CFO-EI
ISSUED: October 22, 2018

ORDER GRANTING DUKE ENERGY FLORIDA, LLC'S
REQUEST FOR CONFIDENTIAL CLASSIFICATION
(DOCUMENT NO. 06152-2018, X-REF. 05770-2018)

On September 20, 2018, pursuant to Section 366.093, Florida Statutes (F.S.), and Rule 25-22.006, Florida Administrative Code (F.A.C.), Duke Energy Florida, LLC (DEF) filed a Request for Confidential Classification of certain information provided pursuant to Audit No. 2018-058-2-1 (Document No. 06152-2018, x-ref. 05770-2018).

Request for Confidential Classification

DEF contends that the information provided pursuant to Audit No. 15-023-4-2 contains information of a confidential nature, which is proprietary confidential business information within the meaning of Section 366.093(3), Florida Statutes. This information is intended to be and is treated by DEF as private, and its confidentiality has been maintained. This information includes internal hedging practices and procedures, hedging volumes and transactions, hedging forecasts, hedging percentages, and hedging pricing information. DEF asserts that this information is confidential business information concerning contractual data which if disclosed would impair DEF's or its vendors' efforts to enter into contracts on commercially favorable terms. DEF contends that this information is protected by Section 366.093(3)(d), F.S.

In addition, DEF contends that this information relates to competitive interests, the disclosure of which would impair the competitive business of DEF, its affiliates, or its vendors. Disclosure of this information would place DEF at a competitive disadvantage when coupled with other information that is publically available. Such information is protected pursuant to Section 366.093(3)(e), F.S.

Ruling

Section 366.093(1), F.S., provides that records the Commission has found to contain proprietary business information shall be kept confidential and shall be exempt from Chapter 119, F.S. Section 366.093(3), F.S., defines proprietary confidential business information as information that is intended to be and is treated by the company as private, in that disclosure of the information would cause harm to the company's ratepayers or business operations, and has not been voluntarily disclosed to the public. Section 366.093(3), F.S., provides that proprietary confidential business information includes, but is not limited to:

(d) Information concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms.

(e) Information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information.

Upon review, it appears the above-referenced information satisfies the criteria set forth in Section 366.093(3), F.S., for classification as proprietary confidential business information. The information described above appears to be information concerning contractual data and competitive interests, the disclosure of which would impair the competitive business of DEF or its affiliates or its vendors. Thus, the information identified in Document No. 06152-2018, x-ref. 05770-2018, shall be granted confidential classification.

Pursuant to Section 366.093(4), F.S., the information for which confidential classification is granted herein remains protected from disclosure for a period of up to 18 months from the date of issuance of this Order unless good cause is shown for granting a longer period of confidentiality. At the conclusion of the 18-month period, the confidential information will no longer be exempt from Section 119.07(1), F.S., unless DEF or another affected person shows, and the Commission finds, that the records continue to contain proprietary confidential business information.

Based on the foregoing, it is hereby

ORDERED by Gary F. Clark, as Prehearing Officer, that Duke Energy Florida, LLC's request that portions of Audit No. 2018-058-2-1 (Document No. 06152-2018, x-ref. 05770-2018), is granted. It is further

ORDERED that the information in Document No. 2018-058-2-1 (Document No. 06152-2018, x-ref. 05770-2018) for which confidential classification has been granted, shall remain protected from disclosure for a period of up to 18 months from the date of issuance of this Order. It is further

ORDERED that this Order shall be the only notification by the Commission to the parties of the date of declassification of the materials discussed herein.

By ORDER of Commissioner Gary F. Clark, as Prehearing Officer, this 22nd day of October, 2018.
