Subject: Orlando Utilities Commission Response to Review of the 2018 Ten-Year Site Plans for Florida's Electric Utilities Supplemental Data Request #5

Dear Ms. Stauffer,

Attached please find the Orlando Utilities Commission (OUC) response to the subject data request.

If you have any questions about this response, please do not hesitate to contact me.

Respectfully submitted,

/s/

1. Please refer to the history Winter Peak Demand data (Base Case) reported in 2010 TYSP (filed to the Commission recently as the response to Staffs 3rd Supplemental Data Request, "Copy of OUC TYSP Schedules 3_1 and 3_2 - 1999 through 2010.xlsx") and 2011 TYSP (filed to the Commission in 2011 as the response to Staffs 1st Data Request, "Appendix B.xls"), and verify the following two schedules. Please indicate which schedule contains the correct data series, and make corresponding corrections to the other TYSPs' Schedule 3.2, if necessary.

OUC Response:

There were errors in reporting the historical data referenced in the question in both the response to Staff's 3rd Supplemental Data Request in 2018 and in response to Staff's 1st Data Request in 2011. Please refer to the attached Excel file ("Revised OUC TSYP Schedules 3_1 and 3_2 - 1999 through 2010.xlsx"), which presents the correct historical data in Schedule 3.2 for 1999/2000 through 2009/2010.
