Marty,

I have reviewed the draft notice provided via email for Docket No. 20180131-WS. The changes in the attached document are necessary to bring the notice in compliance with Rule No. 25-30.030, Florida Administrative Code. Please make the corrections indicated and submit for approval.

If you have any questions, please let me know. The engineering firm has made the corrections to the territory description that I requested, but in an abundance of caution I need to review the entire description to ensure no errors were introduced. When I have finished, I will send it to you.
