Re: Docket No. 20180154-GU- Petition for limited proceeding
to consider the tax impacts associated with the Tax Cuts and
Jobs Act of 2017 for Florida City Gas

Dear Ms. Stauffer:

On October 15, 2018, Florida City Gas filed revised tariff pages and rate changes to reflect a Stipulation and Settlement regarding remaining Excess Accumulated Deferred Income Tax issues reached by Florida City Gas, the Office of Public Counsel, and the Federal Executive Agencies. It has been found that the Distribution Charge per Lamp on Sheet No. 46 was not updated as part of this filing to \$10.66 from \$10.72 to reflect the reduction in the Distribution Charge Per Therm properly updated on Sheet No. 46. This correction has no impact on customers' bills as the billing has yet to commence.

Attached for your review are both clean and redline versions of Sheet No. 46 updated for this change.

We apologize for any inconvenience this may have caused.

Sincerely,

Beth Keating
