Re: Pinewood Cove Homeowners Association, Inc.
Water Certificate No. 453-S

To Whom It May Concern:

Our office has been retained to assist the above referenced applicant in applying to withdraw from service pursuant to Florida Statute 367.071(7). I believe the enclosed application speaks for itself but, in a nutshell, the system initially serviced two (2) separate and distinct entities. In December of 1998, a merger of the two entities took place, leaving a single entity to service. Despite the ability to withdraw, the Association continued for years to operate under the eye of the P.S.C., not knowing a procedure to withdraw was available to them.

Upon your receipt and review of the application, together with the filing fee of \$750.00, if any additional information is needed, please do not hesitate to contact the undersigned. I thank you in advance for your anticipated consideration.
