**Thank you, Samantha. Per this e-mail, we will change the suffix from EI to GU and will update the utilities from EI803 to GU603.**

I have consulted with technical staff. The proper suffix is GU. Thanks.

**Hi Julie,**

**Per our earlier conversation, Docket 20180230 was set up in my absence, and it appears that the company code EI803 (electric) was chosen rather than GU603 (gas). If you will confirm that the company code for this docket should be GU603, I will make the change to the suffix and the utility designation in CMS.**

**Thank you for bringing that to our attention!**
