Good afternoon, Mr. Stone,

Thank you for advising of your departure from Gulf Power Company. We have removed your name and related contact information from the following dockets, and have added C. Shane Boyett's contact information in its place.

Dockets:

20170208
20180013
20180039
20180143
20180162

It is noted that rollover Dockets 20180001, 20180002, and 20180007 are closed. No information has been changed in those dockets. If Gulf Power Company files an intent to retain party status in the 2019 rollover dockets, the new contact information will be added to the new dockets at that time and you will not receive filings in those dockets.

I hope you find this information helpful,
