Issue 2: Should this docket be closed?

Recommendation: If a protest is filed by a substantially affected person within 21 days of issuance of the order, the tariffs should remain in effect, with any revenues held subject to refund, pending resolution of the protest. If no timely protest is filed, the order should become final upon the issuance of a consummating order. However, the docket should remain open to allow staff to verify that the appropriate notice has been filed by the utility and approved by staff. Once the utility has provided proof of noticing, the docket should be closed administratively.
