Re: Docket No. 20180049-EI – CONFIDENTIAL FILING
Evaluation of storm restoration costs for Florida Power & Light Company related to
Hurricane Irma.

Dear Mr. Teitzman:

Enclosed for filing in this docket on behalf of the Office of Public Counsel (“OPC”) is a CD copy of the confidential version of the complete direct testimony and exhibits of Helmuth W. Schultz, III

The testimony and exhibits of Mr. Schultz contain information that Florida Power Light & Light Company (“FPL”) has asserted to be confidential. Today, OPC is providing the testimony and exhibits of Mr. Schultz to FPL for its review. It is our understanding that FPL will redact the material it claims to be confidential, and return a redacted version of the testimonies back to OPC for filing with the Commission. It is also our understanding that FPL will provide its request for confidential classification, including the highlighted confidential material and the accompanying detailed justification, in a separate filing. OPC reserves its right to challenge FPL’s claims of confidentiality at the appropriate time.

Staff and Balyasny Asset Management L.P. will be served with a Public Version as soon as it becomes available.
