Re: Customer Correspondence regarding First Solar Base Rate Adjustment (SoBRA) for Duke Energy Florida, LLC. (DEF)

Dear Mr. Conoley:

Thank you for contacting the Florida Public Service Commission (PSC). I am responding to your letter on behalf of Chairman Graham. Your letter is included in Docket No. 20180149-EI which will allow Commissioners and staff an opportunity to review your concerns.

The PSC will have a technical hearing on April 2, 2019, in Tallahassee, Florida, to consider DEF's petition for approval of the rates associated with the SoBRA projects. The Office of Public Counsel, the legal representation for the citizens of the State of Florida in utility related matters, has intervened in the docket. The PSC will ensure that final customer rates reflect only those costs that are cost-effective and necessary for DEF to deliver reliable electric service.

I hope you find this information helpful. You can monitor this docket on the PSC's website, www.floridapsc.com, click on the Clerk's Office tab, then dockets and type in Docket No. 20180149. If you have any additional questions, please contact me via email at owooten@psc.state.fl.us or call me at (850) 413 6687.

Regards,
