**Subject:** Docket No. 20170114-WU

Please change the docket title of Docket No. 20170114-WU from

Application for transfer of facilities and water Certificate No. 165-W from Allen LaFortune and Otis Fonder c/o Tropical Park Water Systems to A Utility Inc.

to

Application for transfer of facilities and water Certificate No. 165-W from Allen LaFortune and Otis Fonder to A Utility Inc.

since Allen LaFortune and Otis Fonder is the certificated name of the current holder of Certificate No. 165-W (it is a partnership). Tropical Park Water Systems is just part of the Utility's address.

Thanks.
