Dear Public Service Commission PSC,

RE: 20190038

As a Floridian age 65+, we are coping with skyrocketing healthcare and housing prices with minimal increases in Social Security. An increase on our monthly power bill adds up for people, like myself, who are on a limited or fixed income.

Increasing our rates will only damage Florida communities by making it harder for people to afford daily living necessities.

Thank you for your consideration and representing the best interest of those Florida residents like myself!

Elizabeth Littlefield

Sincerely,

Mrs. Elizabeth Mary Littlefield
