Public Service Commission PSC PSC
FL

Dear Public Service Commission PSC,

I oppose the Gulf Power increase. As a Floridian age 72, I am coping with skyrocketing healthcare and housing prices with minimal increases in Social Security. An increase on our monthly power bill adds up for people, like myself, who are on a limited or fixed income.

Increasing our rates will only damage Florida communities by making it harder for people to afford daily living necessities.

Sincerely,

Mr. Richard Hickey
