Dear Public Service Commission PSC,

Docket number 20190038

As a Floridian age 50+, our taxes are 8% less, I am still working and I don't even receive ss benefits and am a single mother.

Every expense to survive is going sky high at a rocket's speed, while minimum wage moves like molassess. We can't keep up.

Please, have mercy, Stop the madness.

Sincerely,

Ms. Carlette Moore
