RE: Docket # 2018-0202. Application for a Staff Assisted Rate Case by West Lakeland Wastewater, LLC in Polk County

Dear Commission Clerk:

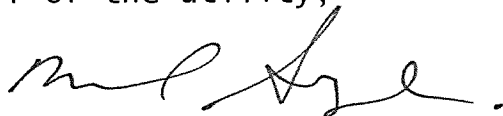

This letter is the company response to staff's first data request question #21.

Company had a meeting with representatives from the City of Lakeland concerning the monthly meter readings for West Lakeland Wastewater. The city agreed to provide the monthly meter readings in 1,000 gallon readings by the 10<sup>th</sup> of each month, as an ongoing public records request.

West Lakeland Wastewater will notify the customers that beginning with the April 2019 billing cycle we will be changing our billing cycle from the 1<sup>st</sup> of the month to the 10<sup>th</sup> of the month which will also match the customers billing cycle with the cities.

West Lakeland Wastewater hereby withdraws the request for a Lack of Meter Access charge for this utility.

On behalf of the utility,

Mike Smallridge.
