Re: Gulf Power Requested Surcharge

I am opposed to Gulf Power's (GP's) proposed surcharge because they are not properly and sufficiently audited by the PSC. My experience is that Monopolists and those that are not audited do not tell the full and complete truth. Only full audits will find the truth.

The following should be noted:

1. Gulf Power (GP) is a **MONOPOLIST. MONOPOLISTS are Anti-capitalists and inherently untrustworthy.**
2. Who audits GP? How do you know they are telling the full and complete truth?
3. What assumptions have they made in the numbers?
4. Look at the staff and resources they have to manipulate the data.
5. Have you performed audits of them?
6. Did you accept PAC money from GP or its lobbyists? If so, have the character and integrity to recuse yourself. Are you compromised?
7. GP is owned by Southern Company (SC), another MONOPOLIST.
8. As a Monopolist (Anti-capitalist), SC worth near \$100 BILLION.
9. Have you audited them? Have you taken money for them or its lobbyists?
10. I AM OPPOSED TO ANY SURCHARGES or RATE INCREASES BY THIS MONOPOLIST UNTIL FULL AND COMPLETE AUDITS ARE DONE TO VERIFY ALL FACTS AND STATEMENTS.
