Docket No. 20190001-EI

Dated: February 25, 2019

**DUKE ENERGY FLORIDA LLC'S
SECOND REQUEST FOR EXTENSION OF CONFIDENTIAL CLASSIFICATION**

Duke Energy Florida, LLC, (“DEF” or “Company”), pursuant to Section 366.093, Florida Statutes (F.S.), and Rule 25-22.006, Florida Administrative Code (F.A.C.), submits this Request for Extension of Confidential Classification (the “Request”) for certain information contained in Staff’s audit work papers pertaining to DEF’s 2015 Hedging Activities Audit (*Audit Control No. 15-051-2-1*). In support of this Request, DEF states:

1. On October 7, 2015, DEF filed a request for confidential classification for certain information contained in Staff’s Audit Work papers pertaining to DEF’s 2015 Hedging Activities (Document No. 0698-2015), as it contains sensitive business information such as contractual and competitively negotiated data.

2. DEF’s October 7, 2015 Request was granted by Order No. PSC-2015-0583-CFO-EI. On June 16, 2017, DEF filed its First Request for Extension of Confidential Classification. The June 16, 2017 Request was granted by Order No. 2017-0333-CFO-EI. The period of confidential treatment granted by that order will expire on February 22, 2019. The information continues to warrant treatment as “proprietary confidential business information” within the meaning of Section 366.093(3), F.S. Accordingly, DEF is filing its Second Request for Extension of Confidential Classification.

3. DEF submits that the information contained in the audit work papers identified in Exhibit “A” and Exhibit “C” to the October 7, 2015 Request¹ continues to be “proprietary confidential business information” within the meaning of section 366.093(3), F.S., and continues to require confidential classification. *See* Affidavit of James McClay at ¶¶ 4-6, attached as Revised Exhibit “D”. This information is intended to be and is treated as confidential by the Company. The information has not been disclosed to the public. Pursuant to section 366.093(1), F.S., such materials are entitled to confidential treatment and are exempt from the disclosure provisions of the Public Records Act. *See* Affidavit of James McClay ¶ 7.

4. Nothing has changed since the issuance of Order No. PSC-2017-0333-CFO-EI to render the information stale or public such that continued confidential treatment would be inappropriate. Upon a finding by the Commission that this information continues to be “proprietary confidential business information,” it should continue to be treated as such for an additional period of at least 18 months, and should be returned to DEF as soon as the information is no longer necessary for the Commission to conduct its business. *See* §366.093(4), F.S.

WHEREFORE, for the foregoing reasons, DEF respectfully requests that this Request for Confidential Classification be granted.

¹ DEF hereby incorporates Exhibits A, B, and C to the original Request, Document No. 06298-2015 submitted on October 7, 2015 in Docket No. 20150001-EI as if attached hereto.

RESPECTFULLY SUBMITTED this 25th day of February, 2019.

In re: Fuel and purchased power cost

Docket No. 20190001-EI

Dated: February 25, 2019

**AFFIDAVIT OF JAMES MCCLAY IN SUPPORT OF
DUKE ENERGY FLORIDA, LLC'S SECOND
REQUEST FOR EXTENSION OF CONFIDENTIAL CLASSIFICATION**

STATE OF NORTH CAROLINA

COUNTY OF MECKLENBURG

BEFORE ME, the undersigned authority duly authorized to administer oaths, personally appeared James McClay, who being first duly sworn, on oath deposes and says that:

1. My name is James McClay. I am over the age of 18 years old and I have been authorized by Duke Energy Florida (hereinafter "DEF" or the "Company") to give this affidavit in the above-styled proceeding on DEF's behalf and in support of DEF's Request for Extension of Confidential Classification (Request). The facts attested to in my affidavit are based upon my personal knowledge.

2. I am the Manager of Gas Trading in the Fuel Procurement Department. This section is responsible for natural gas, fuel oil and emission allowance activity for the Duke Energy Indiana ("DEI"), Duke Energy Kentucky ("DEK"), Duke Energy Carolinas ("DEC"), Duke Energy Progress ("DEP"), and DEF Systems.

3. As the Manager of Gas Trading, I am responsible, along with the other members of the section, for the management of the gas and oil procurement, transportation, hedging activities and administration of gas and oil contracts with various suppliers for DEI's, DEK's, DEC's, DEF's and DEP's electrical power generation facilities.

4. DEF is seeking a second extension of confidential classification for certain information contained in Staff's Hedging Audit Work papers, Audit Control No. 15-051-2-1 (document no. 06298-2015), filed on October 7, 2015 in Docket No. 20150001. There are no changes to the information contained in DEF's confidential Exhibit A, redacted Exhibit B, and justification matrix C. The referenced Exhibits are on file with the Clerk. DEF is requesting a second extension of confidential classification of this information because it contains proprietary confidential sensitive business information, the disclosure of which would impair the Company's efforts to contract for goods or services on favorable terms.

5. DEF negotiates with potential fuel suppliers to obtain competitive contracts for fuel options that provide economic value to DEF and its customers. In order to obtain such contracts, however, DEF must be able to assure fuel suppliers that sensitive business information, volumes, and hedging costs, will be kept confidential. With respect to the information at issue in this Request, DEF has kept confidential and has not publicly disclosed confidential contract terms such as volumes, hedging costs, and itemized hedging gains/losses. Absent such measures, suppliers would run the risk that sensitive business information that they provided in their bids/contracts with DEF would be made available to the public and, as a result, end up in possession of potential

competitors. Faced with that risk, persons or companies who otherwise would contract with DEF might decide not to do so if DEF did not keep specific information confidential. Without DEF's measures to maintain the confidentiality of sensitive terms in contracts between DEF and fuel suppliers, the Company's efforts to obtain competitive fuel supply contracts could be undermined.

6. Additionally, the disclosure of confidential information in DEF's fuel supply contracts, could adversely impact DEF's competitive business interests. If such information was disclosed to DEF's competitors, DEF's efforts to obtain competitive fuel supply options that provide economic value to both DEF and its customers could be compromised by DEF's competitors changing their consumption or purchasing behavior within the relevant markets.

7. Upon receipt of confidential information from fuel suppliers, and with its own confidential information, strict procedures are established and followed to maintain the confidentiality of the terms of the documents and information provided, including restricting access to those persons who need the information to assist the Company, and restricting the number of, and access to the information and contracts. At no time since receiving the contracts and information in question has the Company publicly disclosed that information. The Company has treated and continues to treat the information and contracts at issue as confidential.

8. This concludes my affidavit.

Further affiant sayeth not.

Dated the 25th day of February, 2019.
