Public Service Commission PSC, PSC,
FL

Dear Public Service Commission PSC,,

As a Floridian age 50+, I'm focusing on rebuilding my life and community and don't want to worry about a higher power bill. Along with the financial hardships from the Hurricane Michael, as well as skyrocketing healthcare and housing prices and minimal increases in Social Security, an increase in monthly bills add up for people, like myself, who are on fixed incomes.

Sincerely,

Ms. Trish Wilsman
