Dear Public Service Commission PSC,,

Florida Power & Light gets a \$649.6 million tax cut and wants to reward its investors, not its customers?

I've had enough of FPL's corporate greed and I deserve lower electric rates.

As a Floridian age 75, I'm believe that Florida Power & Light recent tax cut should be shared among rate payers and shareholders.

Customers across the U.S. have enjoyed lower bills as a result of a tax savings. We should too.

I also believe that investors also should be rewarded when bottom line profits increase. There fore the most prudent thing to do is spread the savings.

With skyrocketing healthcare, housing prices and minimal increases in Social Security, a decrease in monthly bills add up for people like me.

We need lower rates, now!

Sincerely,

Mr. Jacob Smith
