Dear Public Service Commission PSC,,

Florida Power & Light gets a \$649.6 million tax cut and wants to reward its investors, not its customers?

I've had enough of FPL's corporate greed and I deserve lower electric rates.

As a Floridian age 50+, I'm fed up that Florida Power & Light is getting a massive tax cut and is passing those savings to shareholders.

Customers across the U.S. have enjoyed lower bills as a result of a tax savings. We should too.

I find it deplorable that my electric bill in Florida is now higher than it was in Pennsylvania 2 years ago where we had frigid winters. I live alone. Rarely use my heat or AC. I am not excessive with laundry or lights. My bill increased by 30% in 2018.

Why?

Yevet Anderson

With skyrocketing healthcare, housing prices and minimal increases in Social Security, a decrease in monthly bills add up for people like me.

We need lower rates, now!

Sincerely,

Mrs. Yevet Anderson
